Emergencies: For life-threatening situations, call 911. If you have an urgent problem, please call our office for instructions. After hours, our answering service will inform you of how to reach a physician on call.

Test Results: For test results, call the office to schedule a follow up appointment.

Prescriptions: All prescriptions and refill requests should be requested during normal office hours. Please have your pharmacy number, call the office at 772-465-4651 for renewal of medication. Please allow 72 hours for refill requests.

Appointments

For appointment please call 772-465-4651

- Please call in advance for routine office visits. Make follow-up appointments as you leave. We make every effort to stay on schedule, although emergencies arise. If we are seriously delayed, we attempt to notify patients beforehand.
 - As a courtesy to other patients and staff, please call the office as soon as possible if you are unable to keep your appointment or are going to be late.
-

Financial Policy

- Unless arrangements have been made in advance, **co-payments, co-insurance, and any outstanding balances are expected at the time of service.** Patients may be financially responsible for payment of all services even if their insurance company does not pay. Patient accounts not paid promptly are subject to third party collections and/or legal procedures.
- If we are not participating providers with your plan, we will provide you with a receipt for you to file with your insurance company.
- Any check returned from the bank will result in an additional (\$ 25.00) charge that will appear on your account.
- If your insurance carrier has not responded to a claim within 90 days, we reserve the right to formally transfer all associated liability for the claim to the patient/guarantor. Failure to promptly resolve this balance may result in third party collection and/or legal procedures will be taken. Please keep a close watch for carrier claim payment and contact the insurance carrier or a clinic patient accounts representative at 888-422-7720 in the event a claim is not resolved within 60 days from the date of service.
- We realize that emergencies do arise that may affect timely payment of your account. If such extreme cases do occur, please contact a patient accounts representative at 888-422-7720.
- Please always notify our office of any change in name, address, phone or insurance information.

Insurance

- Prior to your appointment, please check your insurance information so you will be informed about referrals, co-payments, and any deductible required at the time of the visit. We also accept: Visa, MasterCard, Discover and American Express.
- For your first visit, please bring your insurance card and arrive early to complete the necessary patient information forms.
- We accept Medicare as well as most insurers, however, please review all insurance information with our staff prior to services being rendered.
- Your health insurance contract is between you and your insurance company. Any complaints regarding your coverage should be directed to your carrier.
- Referrals: Please allow 48 hours for referral processing. If you are being referred, please be sure to bring the referral with you at the time of office check-in.

What Do We Need From You?

- To inform the Medical Practice staff of any pertinent changes in insurance, employment, demographic information or relationships with other care/service givers.
- To arrive on time for scheduled appointments and cancel, when necessary, with a phone call.
- To provide payment for services requested and delivered by the Medical Practice not covered by insurance within 90 days.
- To notify the Medical Practice of any change in his/her health status.
- To follow the recommended treatment plan and inform the Medical Practice of any physical or mental impairment requiring special accommodation.
- To ask questions if directions and procedures are not understood.
- To bring all necessary diagnostic study films to your appt. This includes any x rays, MRI, CT scans, etc...

What Should You Expect From Us?

- To be treated with respect, dignity and be informed of his/her care needs to make appropriate decisions.
- Help plan his/her care and make changes to it.
- Expect that teaching materials will be provided in a manner he/she can understand.
- To be informed of the Medical Practice billing process.
- To have his/her records kept confidential except when consent has been given.
- To expect services to be professional, timely and appropriate.
- To communicate his/her complaints to the Medical Practice Manager and expect to receive follow-up without negative repercussions or changes in service.
- To receive care without discrimination due to race, religion, age, sex, disability or ethnic origin.

About Our Physicians

Dr. Stanton is originally from Florida and has been an Orthopedic Surgeon for over 10 years. He graduated from West Point Military Academy and attended medical school at the University of Miami. His internship and residency were completed at Walter Reed Army Medical Center and Brooke Army Medical Center in Fort Sam Houston. Dr. Stanton has been practicing in St. Lucie County since 2003. Dr. Stanton specializes in general orthopedics, sports injuries and fracture surgery. He is committed to providing comprehensive, quality healthcare to his patients.

Affiliations and Achievements

- Certification - [American Academy of Orthopedic Surgeons](#)

- State Society Membership –
 - Florida Orthopaedic Society
 - Florida Medical Association

Dr. Blake is originally from New York, and completed her medical school at SUNY Upstate Medical University in Syracuse, New York. She then completed her surgical internship and orthopaedic surgery residency at the University of Rochester/Strong Memorial Hospital in Rochester, New York. Dr. Blake also completed a fellowship in adult lower extremity joint replacement and reconstruction at the Hospital for Special Surgery in New York, New York. Her specialty is hip and knee replacements.

Dr. Blake is excited to build both her medical practice and home in Florida. She is joined by her husband and son. Her goal as a surgeon is to combine up-to-date techniques with meticulous surgical care and the best orthopaedic hardware available. Her philosophy on patient care is to treat every patient as she would want her family and friends to be treated.

Map or
Location
